

2023 BEST Joint YABEC International Symposium

The
28th

❖ Biotechnology and Biochemical Engineering
Society of Taiwan (BEST)

❖ Young Asian Biological Engineers'
Community (YABEC)

創新生化及生醫技術迎接零碳經濟時代

Innovation of Biochemical and Biomedical
Technology Toward Zero-Carbon Era

BEST

- Biocatalysts and Protein Engineering
- Bioenergy and Biorefinery
- Environmental and Biotechnology
- Micro- and Nano- biotechnology
- Agricultural Biotechnology and Food Chemistry
- Biochemical Science and Engineering
- Cell Culture and Bioprocessing
- Metabolic Engineering and Synthetic Biology
- AFOB special session

YABEC

- Medical Biotechnology and Biochip/Biosensor
- Bioenergy, Biorefinery and Environmental Biotechnology
- Applied Microbiology, Synthetic Biology and Bioinformatics
- Enzyme, Biotechnology, Bioprocess Engineering, Biophysics & others

Important Date:

4/23
Sun.

Abstract submission deadline

5/15
Mon.

Abstract acceptance notice

5/25
Thu.

Early bird registration

6/11
Sun.

Registration deadline
